

## Kubera Cross-Border Fund Limited

### Net Asset Value

Kubera Cross-Border Fund Limited (the "Fund") (LSE/AIM: KUBC) announces that as at close of business on 31 December 2017, its un-audited net asset value per share ("NAV") was US\$ 0.38. Shareholder distributions to date taken together with the NAV total US\$ 0.71.

#### Valuation Methodology

All investments are recorded at estimated fair value, in accordance with US GAAP ASC 820 that defines and establishes a framework for measuring fair value. The methodology underlying the Fund's investment valuations is consistent with previous periods.

#### About Kubera Cross-Border Fund Limited

Kubera Cross-Border Fund Limited is a closed-end investment company incorporated in the Cayman Islands and traded on the AIM market of the London Stock Exchange. The Fund makes private equity investments in cross-border companies, primarily in businesses that operate in the US-India corridor. #### *Disclaimer:*

*This announcement may contain certain forward-looking statements with respect to the financial condition, results of operations and business of the Fund and its portfolio companies. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the Fund or its portfolio companies' actual performance to be materially different from any future performance expressed or implied by such forward-looking statements. Such forward-looking statements are based on assumptions regarding the Fund and its portfolio companies present and future business strategies and the political and economic environment in which they operate. Reliance should not be placed on these forward-looking statements.*

*In addition, due to the inherent uncertainties associated with the determination of the valuation of any private equity investment, the amount realised on disposal of a portfolio company may differ materially from the amount estimated in determining its fair value under US GAAP. The impact of such determination cannot be quantified.*
